Mangusta 72

Intro

The interior is modern and simple with tinted cherrywood, light leathers and fabrics, and soft colored marbles creating a warm atmosphere.

The deck saloon/lounge can either be transformed into formal dining, or casual alfresco dining. The lounge area is extremely spacious and there is a flat screen television for relaxing and watching movies.

One of the special features of this yacht is the large spaces for sun bathing on the Mediterranean sun.

There are three staterooms on board accommodating up to six people. The master cabin and VIP cabin are both doubles, while the third cabin has twin beds. All cabins are air-conditioned and have private en-suites. The interior décor in the cabins is light browns and is very modern and chic.
